THE CONGREGATIONAL CHRISTIAN CHURCHES

Form — Congregational Christian Churches are bodies of self-governing Christian believers organized on a democratic basis in close association with a great body of similar churches throughout the world, covenanting together for worship, work, and fellowship.

Origin — Congregationalism has been implicit in Christianity from the beginning, but did not emerge in its present corporate form until in England, in the sixteenth century, the pressure of state control of religious worship forced into separate existence that part of the Church in which Congregational principles were cherished.

The Christian Churches originated spontaneously in several parts of the United States in the latter part of the eighteenth century. In each instance the movement was directed toward freedom from excessive ecclesiastical authority over local churches and ministers.

Principles — The Congregational Churches are characterized by their faith in God, their fellowship in Christ, and their freedom in the Spirit.

Practice — Acknowledging Christ as the only authoritative head of the Church, Congregational Christian Churches exalt nothing trivial or sectarian, repudiate dogmatism and all legislative control of the spiritual life, regard a living Christian faith as the only prerequisite for church membership, and seek to develop in the church educational efficiency, evangelistic zeal, and unselfish devotion to the extension of the Kingdom of God.

Achievements — Congregationalism sailed to America in the Mayflower as the church of the Pilgrim Fathers. Settling first at Plymouth, then later fusing with the Puritan colonists that followed them, these founders of Congregationalism spread over New England, and through their democratic ideals laid the foundations for the free church, the free state, the free school, and the free social life of our country. The Congregational Churches have been the pioneer Protestant churches of our nation in the promotion of education, missions, evangelism, and in most movements for Christian union, religious progress, and social reform.

While the Christian Church originated later, and while its numbers and resources have not been so large, its ideals and principles have been identical with those of the Congregational Churches.

The Local Church — The local church is self-administering and is the final arbiter of all questions relating to its own life.

The Association — A church is recognized denominationally by securing membership in some association of churches, usually consisting of from ten to fifty such churches, located in geographical proximity to one another. These associations are charged with the holding of ministerial credentials for ordained ministers and the performance of common Christian service in behalf of their component churches.

The State Conference — The state or district conference is made up of the churches within its bounds holding membership in the several associations. Mutual helpfulness to all the churches, and the carrying forward of church extension and missionary work within its own borders, are the functions of the conference. Usually the conference maintains a paid superintendent and a central office.

The General Council — What the State Conference is to the state the General Council is to the nation, with appropriate variations. It also becomes the unifying agency for co-ordinating the organization and work of the missionary societies. (See following pages.)

GENERAL COUNCIL ORGANIZATION

The General Council of the Congregational Christian Churches was organized on June 27, 1931, at Seattle, Washington, for the purpose of carrying on the functions hitherto performed by the National Council of the Congregational Churches and the General Convention of the Christian Church. The older organizations continue their formal existence for the time being for possible legal requirements. Details of organization will be found on the following pages.

PURPOSE

The purpose of the General Council is to foster and express the substantial unity of the Congregational Christian Churches in faith, purpose, polity and work; to consult upon and devise measures and maintain agencies for the promotion of the common interests of the Kingdom of God; to co-operate with any corporation or body under control of or affiliated with the Congregational Christian Churches and to do and promote the work of these churches in their national, international and interdenominational relations.

FUNCTIONS

As the name indicates, the General Council is a voluntary organization of Congregational Christian Churches. Associated with its function of discussion and inspiration is that of the election of officers and agencies for carrying on the common work of the churches. Specifically, the Council provides for gathering and publishing annually the statistics for the churches as given in this Year Book. For the purpose of stimulating fellowship and of co-ordinating the various agencies, offices are maintained with a small staff of secretaries.

MEMBERS

Each State Conference or similar organization of churches is entitled as such to elect a delegate at large for the first full 5,000 members and an additional delegate at large for each successive 5,000 members or major fraction thereof. The Superintendent of each Conference is *ex officio* a delegate. Each Conference also is entitled to "unit" delegates, elected according to rules set forth in the Constitution to the number of one to every 1,000 members, approximately

EXECUTIVE COMMITTEE

Between the sessions of the Council an Executive Committee chosen by the Council attends to details of business, arranging and submitting programs for the meetings, and seeks to correlate the administration of the several missionary societies and boards affiliated with the Council in the interest of economy and efficiency. This committee is also the agency for correlating the activities of the several Commissions.

COMMISSIONS

The Commission on Evangelism and Devotional Life maintains an office for service to the churches in the vital field indicated by its name. There are several other Commissions, none of them being charged with executive functions to any extent but rather with study and report, each in its own field, with such co-operation with the executive agencies of the denomination as seems feasible.

MISSIONARY SOCIETIES

The American Board of Commissioners for Foreign Missions and the Board of Home Missions of the Congregational Christian Churches have as their controlling membership the membership of the General Council itself. Meeting in separate sessions under the direction of their own officers, the membership of each of these societies is in large majority identical with that of the General Council, so that in matters of common concern action taken by the General Council may usually be taken by each of the societies without further discussion, thus giving unity of operation and making the missionary societies the instruments of the churches themselves.

MEETINGS

Meetings of the General Council are held biennially in the even numbered years. The next meeting will be held at Grinnell, Iowa, in June, 1946.

THE COMMISSION ON EVANGELISM AND DEVOTIONAL LIFE

287 Fourth Avenue, New York 10, N. Y.

This Commission was established by the National Council at Des Moines in 1904 to assist the churches in providing plans and programs for recruiting new members for the church and furnishing the churches material for their use in enriching the devotional life of the people.

It is composed of seven active and twenty corresponding members elected by the General Council and is charged by the General Council to do two things.

FIRST: To bring before the churches the denominational program of evangelism and devotional life.

SECOND: To make a continuous study of methods used by effective churches; to make them known to all pastors; and to provide such other helps to evangelism and devotion as are within its powers.

THE CHURCH YEAR IN EVANGELISM AND WORSHIP

Plan something different for the summer season. Make use of the early morning service; vesper services for the late afternoon; popular evenings of song, illustrated lectures, Bible talks, missionary addresses and social occasions.

Organization

1. *Membership.* The Missions Council consists of the thirty-six elected members together with the President and the Vice-Presidents of The Board of Home Missions, the thirty-six elected members with the President and Vice-Presidents of the American Board and the eighteen members of the Council for Social Action, and the Secretary of the General Council, ex officio.

2. *Joint Cabinet.* The work of the Missions Council is administered by the Joint Cabinet, thus providing the Minister with a connecting link to the administrative heads of the National Societies and of the State Conferences.

Article IX of the Rules of the Missions Council provides that the Minister of the Missions Council, the Executive Vice-Presidents of The Board of Home Missions and of The American Board, the Director of the Council for Social Action, the Minister of the General Council, the Associate Executive Secretary who shall be a woman, and one State Superintendent elected by the State Superintendents' Conference as hereinafter provided shall constitute the Joint Cabinet of the Missions Council. This Cabinet meets regularly. It is responsible for formulating promotional plans and policies and is the connecting link between the executive boards and the promotional staff.

3. *Ad Interim Committee.* The Ad Interim Committee is composed of fifteen persons chosen as follows: Two members of the Board of Directors of The Board of Home Missions designated by The Board of Home Missions, two members of the Prudential Committee of the American Board designated by the Prudential Committee, a member of the Council for Social Action, the Chairman of the Missions Council, two State Superintendents elected by the State Superintendents' Conference, and the Chairman of the Women State Presidents. The Minister of the General Council, the Minister and Associate Executive Secretary of the Missions Council, the Executive Vice-Presidents of the Boards, and the Director of the Council for Social Action are corresponding members.

4. *Joint Staff.* The Joint Staff operates under the chairmanship and direction of the Minister and includes the secretaries of missionary education and promotion of the national boards, with two representatives from the Conference of State Superintendents and the Chairman of the Women State Presidents.

Processes

1. *Meetings.* The Missions Council meets ordinarily but once a year. This meeting takes place in connection with the midwinter gathering of the Board of Directors of The Board of Home Missions and of the Prudential Committee of the American Board and the Council for Social Action, thus economizing in time and travel expenses. At the annual midwinter meeting the Survey Committee of the General Council, the State Conference Superintendents, the Women State Presidents and secretaries of the societies sit with the Missions Council in joint session as corresponding members.

2. *Literature.* One of the important functions of the Missions Council is the publication of literature setting forth our entire missionary enterprise.

3. *Field Work.* Under the direction of the Minister the members of the Joint Staff co-operate in a unified program of education and promotion. This work is conducted through the state organizations and endeavors to develop through actual contact with the churches those processes which seem to be most effective for disseminating missionary information and stimulating benevolent contributions. This process is so intimately related to the financial operations of the local churches that this latter interest is combined with the former, thus helping the churches to financial strength.

Information

The support of our Mission Boards depends upon current gifts, legacies and the income from invested funds. Through the Missions Council, donors, lawyers and trust officers are supplied with confidential and impartial information concerning the financial standing, fields of work, needs and opportunities of any or all Congregational Christian Corporations, including the General Council and its Commissions, the home and Foreign Missionary Boards, State Conferences, city extension societies and the local churches.

The local church may ordinarily secure information directly from its own state office. Persons not knowing to whom to write locally are invited to communicate direct with the Missions Council.

The A. B. C. F. M. is the mother of foreign mission boards in North America. Founded in 1810 to make possible the realization of the vision of the men of the Haystack, it immediately invited the Presbyterian General Assembly to form a similar society with which it could co-operate, but the Assembly replied that one organization of the sort was enough and "urged its churches to adopt the American Board as their foreign missionary agency." The Baptist Missionary Union was formed when some of the first American Board Missionaries became Baptists. By 1826, the Presbyterians and the Reformed Church in America had developed the United Foreign Missionary Society, which in that year was merged with the American Board. The process of segmentation began in 1837 when the "Old School" Presbyterians left the American Board, followed in 1839 by the Central and Southern auxiliary boards. In 1846, "because of differences of opinion as to the Board's attitude toward slavery, some members withdrew to aid in organizing the American Missionary Association." In 1857, the Reformed Church in America withdrew to form its own Board and and in 1870, the "New School" Presbyterians rejoined their "Old School" associates and transferred their support to the Foreign Mission Board which they had formed.

The American Board maintains missions in East, West and South Africa, China, Japan, India, Ceylon, the Philippines, Micronesia, Mexico, Bulgaria, Turkey, Greece and Syria.

Since the close of World War II missionaries from North China and the Philippine Islands detained in the United States by war conditions have gradually been returning to their fields. Since September 1, 1945, others who were on furlough from the Near East, India, Ceylon and Africa Missions have been returning to their work. Even with the large number of missionaries at home during the war years there was an average of over 200 out of a total average of 370 who were able to continue their regular work in India, Ceylon, the Near East, Africa and Mexico. Of deep significance and encouragement is the attitude of leaders in the occupation forces in Japan and of the Japanese themselves, toward missionaries whose co-operation is desired and whose work is appreciated. Our Christian associates in Japan want and urge our missionaries to return. Hopeful reports of personal contacts between former missionaries temporarily serving in the armed forces and Japanese Christian leaders have reached us frequently since October 1945. The American Board will have as its special representative in Japan (1946) Miss Alice Cary, for many years a missionary in Japan. Plans are proceeding for other secretarial visits to India, the Near East, Europe and Africa. The Board is vitally concerned with the success of the denominational Postwar Emergency Program. Funds are greatly needed for relief, rehabilitation and reconstruction.

The 136th fiscal year of the Board ended August 31, 1945 with a surplus of receipts over expenditures of $22,247.15 after making supplementary appropriations of $44,648.65 before the closing of the books. The budget for the year was made in two sections, the Administrative totalling $1,067,911.23 containing items to which the Board was committed, and a Supplementary Section of $57,920 for urgent needs but for which no definite commitment could be made until sufficient money was in hand. When it became clear at the end of the year that the receipts of the Board would make possible additional appropriations, this Supplementary Section together with new needs that had arisen during the year was considered and appropriations totalling $44,648.65 as noted above were made.

The total receipts for the regular budget amounted to $1,135,216.73 which with $192,674.07 of specially designated gifts makes a grand total of $1,327,890.80. The gifts from the churches increased this year by 17.8%. This was due to the efforts of the Missions Council in promoting the Substantial and Courageous Increase, and also to the continued help of the Woman's Gift. For this evidence of the interest and generous support of the members of our churches and for the loyal giving of individual friends which brought $100,859.84 into the treasury, the officers of the Board record their deep appreciation.

The Council for Social Action was created by the General Council at Oberlin in June, 1934. The motivating spirit behind that action is clearly indicated in the words of the vote:

"Stirred by the deep need of humanity for justice, security, and spiritual freedom and growth, aware of the urgent demand within our churches for action to match our gospel, and clearly persuaded that the Gospel of Jesus can be the solvent of social as of all other problems, we hereby vote:

"That the General Council create the Council for Social Action of the Congregational and Christian Churches of the United States of America.

That the purposes of this Council for Social Action shall be to help the churches to make the Christian gospel more effective in society, national and world-wide, through research, education, and action, in co-operation with the Home and Foreign Boards, Conferences and Associations, and local churches. It is proposed that the Council shall increasingly co-operate with the Federal Council of Churches in the creation of a program which shall be genuinely interdenominational. In its *research*, the Council will aim to be impartial, its only bias being that of the Christian view of life; its *educational* efforts will be directed primarily toward the local churches but will also envisage the cultivation of public opinion; in *action*, the Council may, on occasion, intercede directly in specific situations.

"That in launching this Council for Social Action we envisage a new kind of churchmanship which, enlisting the volunteer services of a group of eighteen outstanding men and women of social vision, wisdom, and Christian purpose, and commanding the services of five or six strong leaders in the fields of international relations, race relations, and economic statesmanship, will carry the campaign of education and action based on careful research out among our entire constituency at home and abroad. Believing that the church will find itself as it loses itself in the struggle to achieve a warless, just, and brotherly world, we launch this venture, dedicating ourselves to unremitting work for a day in which all men find peace, security and abundant life."

The Council for Social Action invites each church to organize a local committee or council for Social Action and welcomes the opportunity to co-operate with such local groups in planning for the larger effectiveness of the social program of the church.

The Council for Social Action invites correspondence from ministers and laymen.

The Annuity Fund for Congregational Ministers provides age annuities for Congregational Christian ministers and incidental protection against the minister's permanent total disability occurring during the years of active service, and for his family in case of his untimely death.

Its resources are derived from payments by the minister himself, contributions of churches and individuals, legacies and conditional gifts and the distributable income of the Pilgrim Memorial Fund.

The amount of annuity at annuity age depends on the accumulations to a member's credit.

Assets, December 31, 1945, $11,351,238 (of which $519,580 represents Reserves and $106,294 Endowment); membership including annuitants, 3,897, a net increase during the year of 22; annuity payments, $505,938. Contributions in the form of gifts and legacies are urgently needed to help in paying the churches' share of the annuities of the older members. PILGRIM MEMORIAL FUND

Established by vote of the National Council, October 13, 1917
287 Fourth Avenue, New York 10, N. Y.

Andover Theological Seminary has become affiliated with The Newton Theological Institution to form the new Andover Newton Theological School which is located at Newton Centre, in the vicinity of Boston. The combination of the two schools and the location, in greater Boston, make new and unusual advantages possible for theological students interested in taking their professional study in New England. The combined resources provided for an enrichment of the curriculum and an enlargement of the faculty. The library facilities are unexcelled.

The Andover Newton Theological School in affiliation with Harvard gives the students the privilege of taking any work in Harvard open to theological students and without additional expense. In greater Boston and New England are many of the oldest and most famous of the educational institutions of the country. As Andover Newton is in the midst of them, the students can enjoy the cultural and traditional advantages which bring college and professional students to Boston, not only from all over the country but from all over the world.

The co-operation of the churches in the vicinity offers many opportunities where, on the basis of co-operative scholarships, students can make their way and at the same time gain valuable and practical experience. The School offers scholarship grants, as far as it is able, to students dependent upon self-support and seeks to aid in securing for them church positions in which service can be given in return. Special fellowships are awarded to exceptional students.

The School grants three degrees: B. D., S. T. M., and M. R. E. The B. D. is granted after three years' study to students who have had a college course. The M. R. E. is granted to students with similar preparation after two years' study. The S. T. M. is granted after at least a year of graduate study and the presentation of satisfactory thesis.

For catalog and further information address the President or the Dean.

THE CHICAGO THEOLOGICAL SEMINARY

5757 University Avenue, Chicago 37, Illinois

The Chicago Theological Seminary was established in 1855 to furnish training for Christian leadership according to the highest academic standards. It has been a pioneer in the introduction into the theological curriculum of several unique features designed to meet the changing spiritual needs of succeeding generations. For example, Dr. Graham Taylor was called to the chair of Christian Economics when such a professorship was practically unknown. Recent developments have been in the fields of research in personality problems; in studies of the city and rural churches; in culture through art and drama, literature and music; and in the supervision of the practical work of students with a view to their development as leaders of the institutions of religion in the modern world.

The Seminary shares in the Federated Theological Faculty of the University of Chicago, which consists of between thirty and forty teachers in all branches of theological studies. All students are also registered as university students, having full university privileges including libraries and health service. Upon approval by the director of studies, students may take courses in any part of the University. The degree of B. D. is conferred jointly by the Seminary and the University, and seminary students may also be candidates for the M. A. and PH. D. in the University. Open on equal terms to students of all denominations and to both men and women. No racial discriminations. Valuable opportunities for laboratory experience in practical field work are provided through the Seminary's intimate connection with the Chicago Congregational Union, Merom Institute in rural Indiana, and the Council for Clinical Training of Theological Students through which students may work in the Elgin State Mental Hospital or St. Charles School for Boys.

This is a Congregational Christian school for the training of ministers, directors of religious education, missionaries and church social workers. It was founded by Congregationalists and is governed by a board of directors elected by a triennial convention representing the Congregational Christian churches of the sixteen Middle Western States.The Seminary has excellent modern buildings adjacent to the University of Chicago. Generous provisions are available for scholarship aid and there are opportunities for self-help through part-time work. The Seminary will welcome names of prospective students of high school and college age and seeks to keep in touch with them in their undergraduate professional preparation.

The Administrative Council, in which responsibility rests for academic administration, consists of Arthur Cushman McGiffert, Jr., Walker M. Alderton, Robert Cashman, Mervin M. Deems, Fred Eastman, Davis Edwards, Samuel C. Kincheloe, Victor Obenhaus, Wilhelm Pauck, Ross Snyder, Amos N. Wilder and Daniel Day Williams.

The Graduate School of Theology provides an opportunity for college graduates to get adequate training for Christian service in the ministry of the church, secretaryship of the Young Women's Christian Association or Young Men's Christian Association at home or abroad, for leadership in religious education at home or abroad and for Christian social service in city or country communities. Throughout its history, though independent by charter, Oberlin has sustained a most friendly relationship with Congregational churches and work.

Equipment — In September of 1931 the School of Theology moved into its present quarters. It occupies a group of buildings designed by Mr. Cass Gilbert and made possible by the generous gift of two friends of the School, the late Mrs. D. Willis James and Mr. John D. Rockefeller, Jr. The theological group, built in North Italian style, is composed of two buildings connected by cloisters to form a quadrangle of unusual beauty and utility. The dormitory sections of this quadrangle provide apartments for married students as well as rooms for single students. Students in the School of Theology use the main library of Oberlin College which contains 449,654 bound volumes and as many pamphlets. The library files include the leading secular and religious newspapers and the leading monthlies and quarterlies. The Oberlin library is one of the largest college libraries in the United States. The library and seminar rooms in the theological quadrangle house about twenty thousand of the most active books in the theological section and the periodicals required by the theological students. ANNUAL STATISTICS OF THE CHURCHES

The statistics are collected by the Registrars of the conferences and compiled in the offices of the General Council. They are of date of January 1, 1946, and cover the year 1945. Changes in pastorates are corrected as far as reported until copy is complete. Such revisions and author's corrections in statistics are not involved in the summaries. Money received in any national, district or state office to and including January 10 is credited to the preceding year unless otherwise requested. Persons noting errors are earnestly requested to report the same **to the Registrars of the conferences.**

The schedules are arranged by conferences rather than by geographical state lines.

The tables are *not a postal guide.* For addresses of ministers and clerks refer to alphabetical lists in the back of the book. Names of Sunday School superintendents, church treasurers, treasurers of benevolence and chairmen of boards of trustees and deacons, are on file in state offices, as are also certain other data.

The first name in the list of churches is usually the name of the town or city in which the meeting house is located. This is also the name of its post office unless followed by a name in **heavy-faced** type. If this postal word is an adjective it goes with the preceding name, *e.g.*, Newton, **West**, signifying West Newton.

Abbreviations in schedule headings are:

"Ord." — Ordained
"Cld." — Called
"Ma." — Male
"To." or "T." — Total
"Ab." — Absentee
"C." — Confession
"D." — Death
"L." — Letter

Reference marks are used as follows:

y Pastor serves more than one church. (See list of yoked churches in Conference Summary.)

[] Around a pastor's name signify he is not in full standing as a Congregational Christian minister, nor a denominational licentiate, nor an approved lay preacher, nor a candidate in care of a local association.

i Pastor installed by Council.
r Pastor recognized by Council.
m Approximate number of men.
§ For address see alphabetical list.
— No answer can be given.
x Cost of new building or improvements.
c Sunday School membership includes Cradle Roll.
Contribution amounts to less than 50 cents.
* Value of church property includes parsonage.
★ Per Capita paid in full by church. (See page 286 for record of your state.)

‖ When a church has made no report, items of membership in church, Sunday School and young peoples' organizations, also home expense and value of property, are inserted from the previous Year Book and marked ‖ in the first column of the statistical report. This is done that these items may be included in the summaries and comparative tables, thus minimizing the danger of falsifying the comparisons.

Under church "Members" the number "Absent" are included in the "Total." Amount of "Home Expenses" includes all salaries, together with missionary aid received, operating expenses and repairs for church, Sunday School, choir and parish. An x before "Value Church Property" denotes expenditures for new buildings or improvements during the year. The total expended will be given at the end of each conference schedule.

"Budgeted Apportionment": gifts for regular work of the denomination. "Unbudgeted Apportionment": gifts for projects *authorized* by the national boards and the states, which are *not* included in their budgets (*i.e.* Christmas Fund for Ministerial Relief). "Other Gifts": contributions made for objects *outside* the regular work and for authorized appeals (*i.e.* scholarships, mission boxes, local welfare work, Red Cross). Contributions to the Committee for War Victims and Reconstruction are listed in "Other Gifts" column and a complete report by churches is given on pages 58–78.

The Women's Sacrificial Gift is included in the apportionment columns of each state. The Unit Plan contributions are included under "Unbudgeted Apportionment." The state record of these gifts appears on page 283. The apportionment figures in the schedules are those reported by the state treasurers.

A Summary of the German Conference appears on page 111. The churches constituting this Conference are recorded, together with their statistical data, in the various state conferences with which they hold fellowship.

The Summaries give important data by conferences in Table I and national data by years in Table II. The less important items appear in the Supplemental Summary. Additional totals appear in footings of conference schedules.

For last minute revisions see page following Ministers in Full Standing.

ANSWERS TO QUESTIONS ABOUT BENEVOLENCES

WHAT IS INCLUDED IN THE TERM "BENEVOLENCES"?
All gifts (from Churches, Sunday Schools, Young People's Societies, Missionary Societies, other organizations in the church and from individuals) for the work of the denomination as represented by the State Conference, American Board, Board of Home Missions, Annuity Fund, Council for Social Action and other denominational agencies.

HOW ARE BENEVOLENCES CLASSIFIED?
As Budgeted Apportionment, Unbudgeted Apportionment and Other Gifts.

WHAT IS BUDGETED APPORTIONMENT?
The several Congregational Societies make up their budgets for the year, anticipating estimated receipts from benevolences. All gifts, whether from living individuals or from organizations for the *regular budgets* of the agencies sharing in the apportionment plan, are credited to Budgeted Apportionment.

WHAT IS UNBUDGETED APPORTIONMENT?
All gifts whether from living individuals or from organizations for objects *specifically authorized* by the directors of a society or conference intended to cover needs of said societies and conferences, but outside the regular budgeted work, are credited to Unbudgeted Apportionment.

WHAT ARE "OTHER GIFTS"?
All gifts whether from individuals or from organizations for work outside the regular budgets and the authorized appeals of the Societies and Conferences. Sometimes responses to the appeals of missionaries for improvement, extension of work, scholarships and personal needs not authorized by the directors of a society or conference. "Other Gifts" may be reported to the State office and credited to the church, in the Year Book, in the column "Other Gifts".

WHAT IS THE APPORTIONMENT FOR EACH CHURCH?
The term applied to the total it seeks to obtain or which the Conference has requested it to raise. It is also the term for the amount reported in the Year Book as actually contributed.

HOW IS THIS APPORTIONMENT OBTAINED?
Through pledges. Through budgeting by the church. Through special contributions.

WHAT DOES THE CHURCH TREASURER DO WITH THE APPORTIONMENT MONEY?
Sends it to the State or District headquarters at regular intervals, monthly or quarterly.

WHY IS THE MONEY SENT TO THE CONFERENCE OFFICE RATHER THAN DIRECT TO THE SOCIETIES?
Because the State offices keep the church-by-church records of apportionment giving and are responsible for the annual report for the Year Book.

WHAT IS THE APPORTIONMENT YEAR?
The calendar year with ten days grace allowed. All remittances should be in the State office by January 10th.

WHEN FORWARDING MONEY TO THE CONFERENCE OFFICE IS IT NECESSARY TO DESIGNATE PARTICULAR SOCIETIES?
No, except in the case of designated gifts. The division is made by the Conference on the agreed percentage.

WHAT ARE DESIGNATED GIFTS?
Gifts specified for a particular Society or purpose. The Conference office should be advised of the designation. Credit is given as Budgeted, Unbudgeted or "Other Gifts" depending upon the classification.

WHAT INFORMATION SHOULD BE GIVEN FOR DESIGNATED GIFTS?
The amount. For what Society. For what purpose or object.

WHAT HAPPENS WHEN GIFTS ARE SENT DIRECTLY TO THE SOCIETIES?
The Societies report these gifts to the State office and if the *church* has been mentioned, credit is given. If no church is named, credit is given to the *State* under "Gifts — Church undesignated."

WHAT BECOMES OF THE BENEVOLENCES SENT BY CHURCHES IN THE *MISSIONARY* CONFERENCES AND DISTRICTS?
The State office makes remittances, usually monthly, sending 32% to Boston for the American Board and 68% to New York for the Board of Home Missions, Annuity Fund and Council for Social Action.

WHAT BECOMES OF THE BENEVOLENCES SENT BY CHURCHES IN THE *SELF-SUPPORTING* STATES?
The Superintendent or Treasurer makes remittances to the Boston and New York headquarters, based on the division determined by the Conference.

WHAT IS THE RECOMMENDED DIVISION OF BUDGETED APPORTIONMENT?
While the percentages for State, Home and Foreign work differ in the several states, the division recommended by the Executive Committee of the General Council, for budgeted apportionment, when the total is considered, is at present as follows:

States	32%
American Board	32%
Board of Home Missions	25%
Annuity Fund	7%
Council Social Action	4%

FELLOWSHIP (PER CAPITA) DUES

The Per Capita contribution requested of each church may be considered as a denominational membership fee for the church. The amount each church is asked to pay for the expenses of the denominational agencies (Association, Conference, and Council) is determined by the total membership of the church as reported in the Year Book, — so many cents per member per year. This figure is uniform per member for all the churches of each State or Association.

WHAT IS THE PER CAPITA?

The Per Capita is the free contribution of the Congregational Christian Churches for the administrative expenses of the Associations, the Conferences and the General Council.

STRUCTURE OF THE NATIONAL ORGANIZATION

The vast and varied forces of the Congregational Christian Churches are coordinated into an effective unity by a simple organization comparable in outward form to the political organization of the United States. The Association, as it is usually called, roughly corresponds to the county, the Conference to the state, and the General Council to the federal government — except that none of these bodies has authority over any other. The whole is held together by sheer loyalty and the joy of fellowship in Jesus Christ.

The General Council maintains a national office in New York. See pages 5–13; for Treasurer's report, see page 10. This office attends to the gathering of national statistics and the issuance of the national Year Book. It serves also as a national clearing house for the Conferences and Mission Boards, and its officers are available for advice and counsel to churches and individuals. It represents the communion in interdenominational and international religious bodies, and in its relations with governmental and other secular agencies. The Council names denominational Commissions and Committees and assigns them their tasks.

The cost of administering these activities in behalf of the churches rests upon the churches themselves. The Council is not, as such, a missionary agency and in consequence receives nothing from the missionary giving of the churches, sometimes known as the Apportionment.

METHOD OF GIVING

The amount each church is asked to contribute is based on the number of church members reported in this Year Book, as voted by the General Council, the Conferences and the Associations.

Annually the treasurer of each church receives a statement from the Conference office requesting the amount as voted for the "Per Capita" or "Fellowship" dues. The figure is uniform per member for all the churches of that Conference or Association. See statistical report on opposite page.

Since these funds are not for missionary work but for the expenses of the denominational organizations, they should appear in the budget of the local church as an "expense", rather than "benevolence", item along with regular expense entries for salaries, heat, light, repairs, printing, etc. Churches that have paid in full receive a star (★) in the Year Book as a mark of distinction and loyalty.

DIVISION OF THE PER CAPITA GIFTS

The General Council requests six cents per member per annum for its administrative expense. It requests an additional one cent per member to meet its obligations for interdenominational work. This cent supports (1) the International Council of Congregational Churches, the world-wide organization in which the Congregational Christian Churches are partners and which is to hold a meeting in the United States as soon as world conditions permit, (2) the World Council of Churches, and (3) the Federal Council of Churches of Christ in America.

Most Conferences also set aside one cent per member per annum as a "mileage fund" to assist in paying the expenses of their delegates to the meetings of the General Council.

THE RESPONSIBILITY OF FREEDOM

It is gratifying that, while the Per Capita is a wholly voluntary contribution, the loyalty of the churches to their free Congregational Christian fellowship makes the payment as dependable as the dues which are obligatory in other organizations. No penalty is attached for failure to pay, but prompt, full and cheerful payments are the rule because the churches regard them as a token of their belief in the ideals for which they and their sister churches stand. "We give not because we must but because we may."

PASTORS OF CONGREGATIONAL CHRISTIAN CHURCHES

NOT MEMBERS OF ASSOCIATIONS OR CONFERENCES AND

LICENTIATES

List of pastors who have been reported as not having full ministerial standing. A new status, "approbation as lay preacher," is reported by a few states. The list also includes the names of all licentiates reported by state registrars whether or not they are serving churches. The Association to which a Congregational Christian licentiate belongs is noted as follows: "*Lic.-Chi.*" (licensed by the Chicago Association of the Illinois Conference), or "*Lic.-Conf.*" (licensed by state Conference). The abbreviations following the word "*Lic.-*" refer to Associations, the key to which may be had upon application to the Year Book Department, 287 Fourth Ave., New York 10, N. Y., or to the state offices. Note: The state, as well as the Association, is given when a licentiate lives outside the Conference which holds his standing. The designation "*Lic.*," without further letters in italics, is applied to those whose standing has not been verified by any Association.

A list of candidates for the ministry, who are in care of a local Association, is appended to this list.

CONGREGATIONAL CHRISTIAN MINISTERS IN FULL STANDING

Ministerial standing is constituted by ordination and membership in an association or conference of Congregational Christian ministers and churches.

The following is a compilation of the lists furnished by the Conference registrars.

Ministers not in Congregational Christian pastorates are indicated by the inclusion of ordination date (or by a hyphen (—) if ordination date had not been reported) after address. Information regarding pastor is found in the appropriate place in the state report; refer to state and place for this information. If the pastor is not in the schedule of the state in which he lives, he may have made a recent change in pastorate. Page numbers are given for those whose names appear on pages 7–41, and in the Necrology, pages 42–57, and in the record of 1945 Ordinations, pages 289,290.

An asterisk (*) before a name indicates that the person is not now reported by any Conference registrar. It appears desirable to retain such names for a period of two years in order to give opportunity for completing transfer of membership from one holding body to another as well as for correction of errors.

A dagger (†) indicates that the address had not been verified, or is unknown.

Names of persons variously employed are indicated as follows: *A.B.C.F.M.*, see American Board of Commissioners for Foreign Missions, pages 339–342; *asso. p.*, associate pastor; *asst. p.*, assistant pastor; *bus.*, business; *Ch.*, chaplain; *coll. p.*, college pastor; *Dean; Dir. MEMORANDUM

RUMFORD PRESS
CONCORD, N. H.

A STATEMENT . . .

by Four Christian Colleges

THAT WE MAY BE FREE

Economic and political liberty are neither valid nor lasting without intellectual and spiritual freedom.

Intellectual and spiritual freedom are possible only if we hold to the heritage of the ages and vitalize that heritage by a lively sense of the needs of the present.

Therefore we reiterate our faith in Christian liberal education and hold that it is our function:

1. To perpetuate our cultural heritage.
2. To train minds to think objectively.
3. To teach the value of self-discipline.
4. To fight ignorance, bigotry, prejudice and cynicism.
5. To stimulate appreciation of beauty in all its forms.
6. To instil reverence.
7. To awaken students to their power for good and to make them aware of their responsibilities to society.
8. To give the general education necessary for leadership in profession and avocation.

Through our portals pass many of the youth of today who will help to make possible a better world for tomorrow.

"Our whole curriculum is community-centered," is the philosophy of this institution, which is making an educational experiment that is being watched by educators of the whole country. This experiment provides a high degree of individual attention to the student's individual problems; a "bloc plan" of study instead of the usual concurrent program of varied subjects, and an intensive use of visual teaching aids.

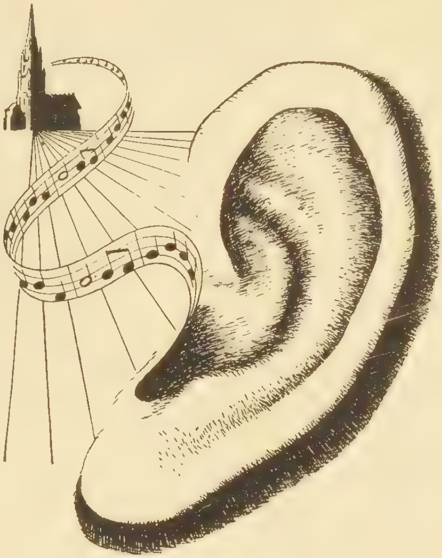
SANGAMON MILLS

Established 1915 Cohoes, N. Y.

"How shall they believe in Him of whom they have never heard?"

ROMANS 10:14



More and more churches, realizing the fundamental importance of getting their message *heard*, are finding in Schulmerich custom-built electronic installations the perfect answer to the age-old problem of church acoustic correction and sound projection.

Out of a quarter-century of wide experience in electronic acoustic research and development have come these exclusive Schulmerich true-to-life electronic systems to vitalize your church program:

TOWER MUSIC SYSTEMS — Projecting a dignified and welcome message to your entire community. Matchless in tone, extremely flexible, this compact installation makes possible tower programs of chimes, organ, choir and recordings at pre-set intervals throughout the day.

VOICE AND MUSIC DISTRIBUTION SYSTEMS — Custom-built, life-like reenforcement and projection of sermon, choir, and organ to every corner of the church and Sunday School.

ACOUSTIC CORRECTION UNITS — Compensates for "dead spots" found in certain pew locations in most churches. Makes complete service distinctly heard from every pew.

ELECTRONIC HEARING AIDS — A boon to your church members who are hard of hearing. No batteries, no unsightly microphones. Compact Schulmerich Ear-Equalized microphone, amplifier, and featherweight earphone in the pew provide perfect hearing for varying degrees of deafness.

● *All* Schulmerich electronic systems are custom-built; and custom-intalled only after a thorough analysis of your individual needs has been made by our trained engineers. We guarantee complete satisfaction. For further information write to Dept. CC4-1.

THE CHURCH BEAUTIFUL

A Practical Study in Church Architecture

By John R. Scotford

$3.50

"Nowhere else in the field of church architecture and worship has so much practical wisdom been compressed into so brief a space.

"It excels in its marvelous illustrations. . . . The pictures are not only works of art in themselves, but each one teaches a lesson on some salient point of architectural wisdom." —*Albert W. Palmer, Chicago Theological Seminary Register.*

THE GOSPEL IN ART *By Albert Edward Bailey*

Author of Religion in Art, Series A. The Life of Christ

The pictures on the life and teachings of Jesus which Professor Bailey introduces here have been carefully selected for their artistic and religious values. English, French, Flemish, Dutch, German, Italian and American art are represented. His interpretations lead to increased appreciation and understanding of the symbolic, spiritual and intellectual messages of the paintings, and to greater knowledge of the artists' backgrounds, their character, poetic and religious insight, and the times in which they lived. Ready Spring 1946. Price to be announced.

"DR. JOHN EWING"—The two decades after the election of Dr. John Ewing, minister of the First Presbyterian Church and Provost of the College of Philadelphia, as President of the Fund in 1767, were most difficult. The Revolutionary War brought depreciated currency and the uncertainty of the entire economic structure. The Presbyterian Ministers' Fund emerged triumphantly from every other era of war financing in the history of America.

* * *

THIS FUND, which has withstood every economic crisis in our national life and has served the clergy generously and faithfully through more than 228 years recommends, out of its abundant experience with a minister's financial problems, life insurance as the most practical way to combat inflation and provide financial security in the Post-War World.

RAMBUSCH
NAVE
LANTERN
No. 4XG-54

Plan Now...

HAVE RAMBUSCH RELIGHT YOUR CHURCH INTERIOR

This Rambusch Lantern has been developed as the result of many years' experience in Church Interior Illumination. It incorporates the following important characteristics:

1. The upward light is limited to the amount necessary to illuminate the upper portion of the fixture and to give soft light on the ceiling.

2. Vertical structural members placed "on edge" to permit maximum horizontal light emission, at the same time giving a pleasing silhouette to the lantern.

3. Open bottom lantern. By omitting any bottom glass we have a fixture where all glass panels are placed vertically, hence there is no surface where dust will collect, and the fixtures will require a minimum of maintenance. The lamp is placed so high that it can never be seen at any normal angle from the floor.

4. The single lamp system is employed. This being more efficient and less costly than if several lamps were employed; moreover "lamp shadows" on the glass panels are avoided.

Note—We make a special diffusing shield which may be placed upon the side of the lamp facing the congregation. This cuts down to a minimum the brightness on the glass panels facing the congregation, while it directs a maximum of light in a forward and downward direction, hence no irritating lights hanging between the congregation and the chancel, and we accomplish a maximum of attention to the service.
